TESTIMONIALS

"Congratulations to you and your team for publishing such an excellent guide. The background information covering previous tours, the people involved, the team and rider descriptions and especially the maps of the daily stages made TV viewing a pleasure."
 - Jean & Erica Piaget

"Much appreciation for the magazine which I bought last year. I found it to be very comprehensive and would not be without a copy for future TDF's, it greatly enhanced my enjoyment and knowledge of the event. Well done on a very professionally put together publication - Thanks!" - Rowan Deysel

"Thanks to your team for an absolutely superb guide to the Tour de France. I came across it only part way into the race. The result has been me in front of the TV every afternoon enjoying, not only the race but also the stunning French scenery. I hope that you repeat this guide again next year." - Ian Norval
